“ We held our wedding on the 10th December and it was absolutely faultless! Our wedding planner was exceptional and kept us both calm.

Nothing was too much trouble and Michael the Toastmaster was well worth his weight in gold and made the day go to plan.

Bar staff/waiters were fab too and made our time there ever better with their great service and humour.

Our guests said it was the best wedding ever! *”*

“ Not only is it a beautiful setting for a wedding, we were really happy with the location and were impressed by the staff from the start.

As we were organising the wedding from a distance, we were pleased that a lot of the details were able to be organised via e-mail. We also found that they were happy to be flexible with their packages to make our day exactly what we wanted.

Most of our immediate family stayed for 2 nights with us at Cave Castle Hotel, meaning we got to taste the table d'hôte menu in the restaurant the night before the wedding. There were 16 of us and we all had lovely meals. Likewise, the food served during our wedding reception was beautiful, with lots of compliments from our guests saying how much they were enjoying the food (and the day of course)!

I couldn't possibly list every positive part of our experience as I'd go on forever, but our day ran so smoothly, with extremely attentive and helpful staff at every part of the day.

Thank you for everything - we had the best wedding day ever! “

“ From the very first call to enquire about staying in the hotel, to checking out and paying the bill, the service from all those who work at Cave Castle, is first class.

The hotel itself is brilliant, ticking all the boxes for a family break. Beautiful gardens to explore, run wild in and play hide and seek in along with friendly and consistently hungry geese and ducks to feed and one of the most gorgeous and relaxing pools to swim in.

The food was impressive (during our 3 day stay we enjoyed breakfast, lunch and dinner) and again delivered by an impressive team of staff, who made our 5 and 6 year old feel as welcome as they made me and my husband. I hope we return soon. ”

“ We had a wonderful weekend in Cave Castle, which from the first sight is very impressive, especially for a foreign traveller looking for history and culture.

As you go through the arched stone gateway into the grounds you pass a beautiful lake and further on you see the golf course... A perfect setting for the Castle and Spa Hotel. Once booked in we were shown up to our fabulous four poster bedroom.

This hotel sure knows how to set a scene, from the suits of armour in reception, wooden panelled charming dining room to the modern swimming pool and spa, what a perfect setting for a wedding . The staff were delightful and the a la carte food superb. **“**
